Docket from the Dy Comr of the Kolaba District dated 16 June 1892 etc $\frac{1112}{245}$ submitting a revised estimate with plan, as called for in Govt Proceedings dated 13: ult May 1892 etc $\frac{2435}{342}$, for Rs 800 for construction of a mess & cookhouse near the Executive Bungalow at Royalpad.

L.B. 19 of 1891 H.

No $\frac{5408-9}{L.658}$ = Order thereon

Dy $\frac{24}{27}$ June 1892

It is observed that the correct quantities according to the dimensions given of "~~Foundation of Side and inside walls~~" ~~and~~ of "Chunam plastering" are ~~244 cubic feet and~~ 12.58 squares ~~and not 413 cubic feet~~ and not 13.32 squares ~~respectively~~ as erroneously entered in the detailed estimate. ~~The necessary corrections have been made and the cost of the estimate reduced from Rs 800 to Rs 780~~ which is sanctioned. The cost will be met from the provision made in the D. F. Budget of the Kolaba District for 1892-93 under the head "D. P. Works to be executed by Revenue officers".

The estimate will be allowed as the difference is trivial & the deduction is based on a rough measurement
